田中のこだわり 大阪・羽曳野の油かす

Tanaka's Commitment KASU of Habikino, Osaka

KASU means deep fried beef offal.

This traditional food has high protein, low fat and a lot of collagen.

In Osaka, oil cake is used in okonomiyaki and oden, and in a variety of dishes as a secret ingredient.

well-known in OSAKA

Our flavored takoyaki recipe comes from the backstreets of Osaka, so we've already add a bit of soy and dashi broth flavor. Try them first on their own. Next, dip them in a little of our special takoyaki sauce. Add a little shichimi pepper to taste.
